COGS Reporting	Variance Analysis	Peachtree ERP	Data Analysis

WORK EXPERIENCE

Inventory Accountant | White Apparel Company | Apr 2024 - Present

- Eliminated reconciliation discrepancies across online transaction records and financial settlements, maintaining a zero-error operating standard.
- Managed full inventory operations on Odoo ERP including inbound, outbound, and returns for multi-platform e-commerce activity.
- Built automated Excel dashboards using Power Query and Pivot Tables to track sales trends, return rates, and collection statuses.
- Conducted monthly physical counts and variance analysis to maintain high stock accuracy and minimize discrepancies.
- Performed complex reconciliations for Visa, Instapay, and shipping company settlements ensuring zero revenue leakage.
- Managed stock quantity and cost-price migration on Odoo, ensuring accurate inventory valuation and COGS reporting.

Receivable Accountant | White Apparel Company | Oct 2022 - Apr 2024

- Recorded and reconciled sales, purchases, returns, and payment invoices with high accuracy.
- Prepared and maintained up-to-date customer account statements and followed up on outstanding balances.
- Provided accurate financial data to support monthly reporting and reconciliation.

General Accountant | Cordoba Import & Export Company | Sep 2021 - Jan 2024

- Recorded and verified sales and purchase invoices using Peachtree accounting software.
- Processed VAT-related documents through the electronic portal including submissions and adjustments.
- Supported year-end closing procedures and assisted in preparing financial statements and balance-sheet schedules.
